INTERNAL QUALITY ASSURANCE CELL

REPORT 2023 - 2024

ANNUAL REPORT (2023-24) - IQAC

VISION

To bring forth prosperity through modern technology by means of imparting value based education, innovation and become a world class technical institution.

MISSION

- To provide necessary Technical Skills through excellent standards of quality education, keeping pace with ever changing technologies
- To bring students together to be trained in leadership skills, engage in activities that promote ethical manners, exhibit social liabilities and inspire a dedication to excellence.
- To develop the spirit of entrepreneurship among the students through entrepreneurial awareness campaign, training and research and development , etc.,

INTERNAL QUALITY ASSURANCE CELL (IQAC)

IQAC in the institution was established in the academic year 2017 with an assessment to initiate, plan and monitor different activities which are important to maintain and improve the quality of education imparted, and also well defined in the quality policy of the institution. IQAC focuses on quality enrichment of teaching, learning, evaluation, research, extension and consultancy opportunities. The IQAC meets periodically to review the progress of the institution and its quality enhancement based on the criteria directed by the National Assessment and Accreditation Council (NAAC) and suggests actions for strengthening the quality of academic programmes further and ensures the quality through continuous monitoring.

Vision of IQAC:

- IQAC aims at being to develop systematic quality processes to promote measures for development of Quality culture in the institution.

Mission of IQAC:

- To ensure a learner-centric environment
- To set benchmarks for their periodic evaluation
- To develop mechanisms and procedures for quality enhancement in academic and administrative performance

FUNCTIONS AND RESPONSIBILITIES OF IQAC

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution

- Developing ethical work culture in the institution
- Plays a vital role in the Institute for coordinating various activities ensuring quality including adoption and dissemination of best methods and practices
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes / activities leading to quality improvement
- To plan and advice the Governing body on infrastructure and facilities
- Act as a dynamic system for quality changes in the college
- Development and maintenance of institutional database through MIS for the purpose of maintaining/enhancing the institutional quality
- Development of Quality Culture in the institution

STRATEGIES

IQAC shall evolve mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
- The relevance and quality of academic and research programmes
- Equitable access to and affordability of academic programmes for various sections of society
- Optimization and integration of modern methods of teaching and learning
- The credibility of evaluation procedures
- Ensuring the adequacy, maintenance and functioning of the support structure and services
- Research sharing and networking with other institutions

BENEFITS

- Ensure heightened level of clarity and focus in Institutional functioning leading towards quality enhancement
- Ensure enhancement and coordination among various activities of the Institution

As per the guidelines, the IQAC members have met four times during the academic year 2023-2024 to discuss about the various quality assurance strategies and regular academic activities of the institution. The main agenda during the meetings are as follows.

- Academic planning & Schedule for odd and even semester
- Stakeholder's feedback collection and analysis
- University Result analysis
- Value added courses
- Placement & Career guidance program
- Students Admission
- Infrastructure Development
- Research publication and research grant
- Workshops /Seminar and FDPs
- Internships, project work
- NSS special camp
- Sports activities
- NAAC Accreditation

Stakeholder's feedback collection and analysis

The curriculum and syllabi are at par with the industry requirements.

The institution provides special training for slow learners and motivates the fast learners to excel in their career.

The institution motivates the students to learn beyond the curriculum through NPTEL, SWAYAM portal.

The classrooms, laboratories, library are spacious, well maintained and fully equipped with appropriate resources.

Faculty Feedback Analysis - Faculty can handle special classes through blendedmode to take care of slow learners for better results.

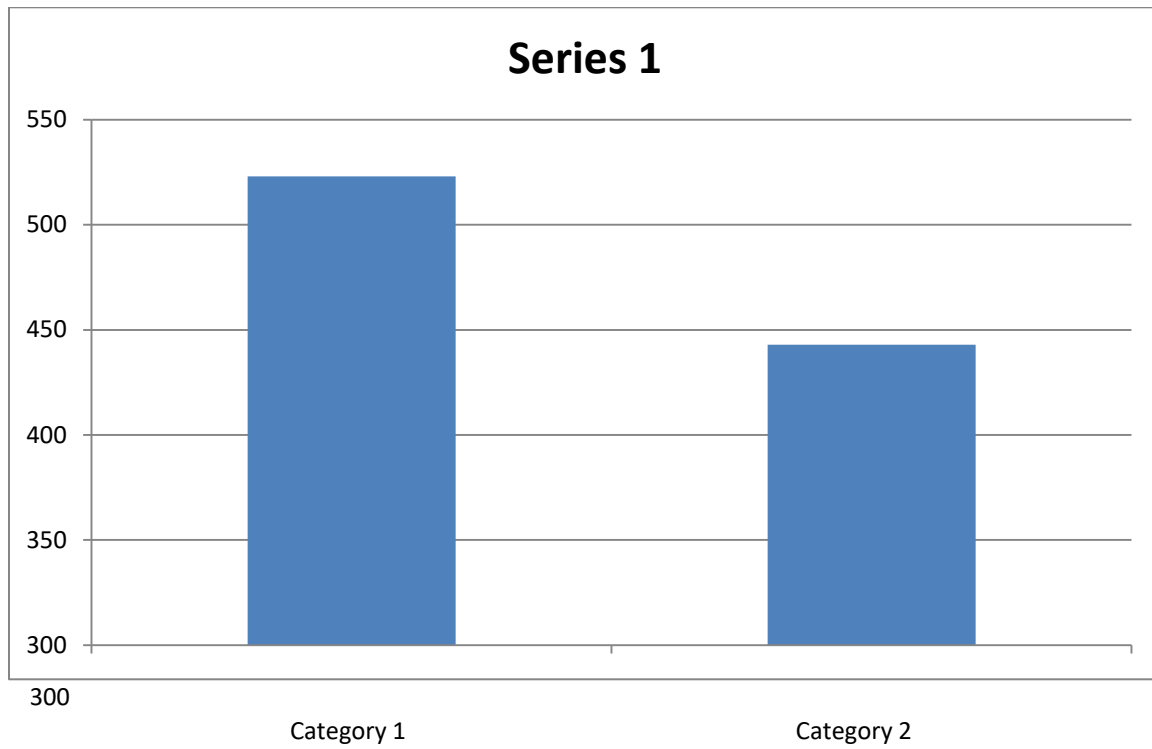

Feedback Reports:

- 5 – Excellent
- 4 – Very Good
- 3 – Good
- 2 – Fair
- 1 – Poor
